

Sweatshirt/Shirt ENNA

This Sweatshirt/Shirt is available in 2 lengths on the pattern layout. The shorter version should end right below the waistline of the pants or skirt and the longer version is more of a tunic shirt. This garment was especially designed to be created with stretch fabrics.

Detailed and illustrated instructions, as well as a Photo Gallery is available at our Homepage at www.farbenmix.de/anleitungen/anleitungen.htm

Before beginning, make sure to take all measurements as well as the widths and lengths!

Sewing

1. Prepare the pattern pieces.
2. Stitch one of the shoulder seams together.
3. Fold the collar trimming in half, lengthwise. Stitch the trimming to the neckline, with the right sides together, and pull on the trimming lightly as you stitch.
4. Fold the seam allowance in and stitch to the front and back pieces of the garment from the right side of the fabric with a flexible stitch (i.e. with a divided zigzag stitch).
5. Stitch the other shoulder together at the seams, fold the seam allowance in and make a triangular stitch at the collar.
6. Stitch the sleeves on.
7. Stitch the sleeve and side seams up in one continuous stitch.
8. Fold all hems in and stitch together (i.e. with a divided zigzag stitch).
