

# Mix Shirt Quiara

This shirt can be combined in so many different ways, whether it be as a tunic style shirt, a basic tee, with or without hood, short sleeves, long sleeves or short and long together...the possibilities are endless!

This is a pattern for knit fabrics.

The sizing is generous, so check the measurements before determining the appropriate size.

Detailed illustrated instructions and design examples are available at [www.farbenmix.de](http://www.farbenmix.de) - Anleitungen.

Be sure to check measurements against the table below.

Recommended Fabric: Jersey, interlock jersey, stretch velour, fleece, sweatshirt

# Mix Shirt Quiara

## Cutting

Cut the appropriate pieces according to the cutting list and layout. It is necessary to **add a seam allowance** and be sure to observe the grain lines and to transfer all markings.

## Cutting List

### **Normal version with long sleeves**

1 – Front piece	x 1 on fold
2 – Back piece	x 1 on fold
3 – Sleeve	x 2 on fold
4 – Neckband	x 1

### **Tunic version with short sleeves and hood.**

5 – Front piece	x 1 on fold
6 – Back piece	x 1 on fold
7 – sleeve	x 2 on fold
8 – hood	x 1 on fold

## Sewing

Note: The tunic version is cut longer. The short or long sleeves or a combination of the two can be used with either the normal or the tunic version. The hood can also be used with both versions.

### **Normal version without hood**

1. Finish the edges of all pieces.
2. Close one shoulder seam. Fold the neckband in half lengthways and press. Using a stretch stitch, place right sides together and attach it to the neck, easing it slightly as you go.
3. Press the seam allowance towards the shirt and top stitch using a stretch stitch, such as the three-step zig zag.
4. Close the second shoulder seam. Press the seam allowance towards the front and secure by sewing a small triangle.
5. If you are using the small wing sleeve, hem these sleeves.
6. Pin and stitch your sleeves (short or long) If using the double sleeve lay first the short and then the long, pin and stitch at the same time.
7. Stitch the side and underarm in one seam.
8. Hem by turning under and stitching using a stretch stitch.

### **Tunic Version with hood**

1. Finish the edges of all pieces.
2. Lay the hood right sides together and stitch together along the top and back. Hem the front of the hood by folding and stitching.
3. Close both shoulder seams. Lay the hood and the shirt right sides together. Secure the middle back of the hood to the middle back of the shirt with a few stitches. The front hood pieces should overlap slightly. Secure these with a few stitches. Sew around the hood using a stretch stitch.
4. Press the seam allowance downwards and top stitch using a stretch stitch such as the three-step zig zag.
5. Stitch the side and underarm in one seam.
6. Fold hem under and stitch using a stretch stitch.

Finished!

Good Luck and Have fun!!
