

Raglan-Shirt ZOE

This raglan-style shirt is a perfect fitting basic cut and can be made in 2 different styles. This garment is excellent in many colors also.

A trendy version for girls is shaped at the waist, has slightly flared sleeves and a rounded hem. The straight cut version is ideal for boys but can also be used as a sporty shirt for girls. Both pattern styles can be mixed up between each other, for example the straight cut sleeves can be used with the rounded hem of the front and back pieces.

Short sleeves are also available with this pattern for the summer.

The raglan shirt is available in 2 versions of the pattern layout. Both versions can be combined between one another, such as the straight cut arm with the rounded hem of the front and back piece, and vice versa. The garment tends to fit snug and short, so it is very important to wash your Jersey fabric.

For plus-sized kids, who prefer to wear loose fitting clothing or thicker fabrics, we recommend that you use the next size up and shorten the sleeves as needed.

The neckline is also a bit wider than usual. Therefore, you can alter this to be smaller, if you wish, by adding 1cm (approx. 1/2") to all pieces used to construct the neckline (including the sleeves).

Detailed and illustrated instructions, as well as a Photo Gallery is available at our Homepage at www.farbenmix.de/anleitungen/anleitungennen.htm

Before beginning, make sure to take all measurements as well as the widths and lengths!

Cutting

Cut the pieces as instructed in the Pattern Pieces list and layout, add a 3/4" seam allowance and cut along the grain. Transfer all markings for the bodice to the fabric.

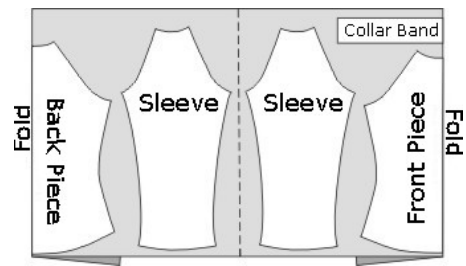

Cut the collar band as instructed, however you may need to adjust this depending on the type of fabric and elasticity of the fabric.

Sewing

1. Cut and prepare all of the pattern pieces.
2. Stitch 3 of the raglan stitches up and leave one of the raglan seams open at the back of the garment.
3. Fold the collar band lengthwise in half and stitch it to the neckline, with the right sides together. Make sure to stretch the collar as you stitch.
4. Fold the seam allowance in and top stitch from the right side of the fabric with a flexible stitch (i.e. a divided zigzag stitch).
5. Stitch the last raglan stitch up, fold the seam in and make a small triangular stitch at the collar.
6. Stitch the seam of the sleeve and the side seam together in one continuous stitch.
7. Fold all hems in and stitch together (i.e. with a divided zigzag stitch).
